NINETEENTH SUNDAY IN ORDINARY TIME
TO REMEMBER-LEST WE FORGET-LEST IT HAPPEN AGAIN

Yesterday, Saturday, August 6, 2016, 8:16 AM. Seventy-one years ago at 8:16 AM on August 6, 1945 a single atomic bomb fell on Hiroshima, Japan. 70,000 people instantly died. Three days later, a second bomb destroyed Nagasaki. Some 40,000 people died. Thirty-five years later on February 25, 1981, our Holy Father, Saint Pope John Paul II visited Hiroshima and spoke these words in his speech entitled "WAR IS DEATH":

**"To remember the past is to commit oneself to the future. To remember Hiroshima is to abhor nuclear war.
To remember Hiroshima is to commit oneself to peace---On this very spot where 35 years ago the life
of so many people was snuffed out in one fiery moment, I wish to appeal to the whole world on behalf
of humanity, on behalf of the future...let us promise our fellow human beings that we will work untiringly
for disarmament and the banishing of all nuclear weapons."**

And again in 1995 to help us remember on behalf of the world's future, Saint Pope John Paul II wrote this:

**"Fifty years after the Second World War, the leaders of nations cannot become complacent but rather should renew
their commitment to disarmament and to the banishment of all nuclear weapons."**

We thank God today that the horror of nuclear weapons has not rained upon any city of people since August 1945. The profound concern of our own Catholic Church, other Christian Churches and religious people of other faiths has helped to temper the hand of anyone who has held the power to unleash these horrible weapons again. The American Bishops in November, 1993 told us that "today the moral task is to proceed with deep cuts and ultimately to abolish these weapons entirely...the eventual elimination of nuclear weapons is more than a moral idea; it should be a policy goal".

As we remember Hiroshima and pray that it never happens again, let us make the Hiroshima Prayer of Saint Pope John Paul II our own:

A Prayer at Hiroshima – John Paul II, 25 February 1981

To the Creator of nature and man, of truth and beauty I pray:

**Hear my voice, for it is the voice of victims of all wars and hear my voice, for it is the voice of all children who suffer and
will suffer when people put their faith in weapons and war. Hear my voice when I beg you to instill in the hearts of all
human beings the wisdom of peace, the strength of justice and the joy of fellowship.**

**Hear my voice, for I speak for the multitudes in every country and in every period of history who do not want war and
are ready to walk the road of peace. Hear my voice and grant insight and strength so that we may always respond to
hatred with love, to injustice with total dedication to justice, to need with the sharing of self, to war with peace.**

O God, hear my voice and grant unto the world your everlasting peace.

There is no room for complacency. Hiroshima may seem like a long time ago. But it's as real as today – and tomorrow.

Please Pray and Fast for Peace!

God bless, Father Herb

WORDS OF TITHING FROM THE PEWS:

From the pastor: God has given me everything. He has given me the gift of His ordained priesthood. Help me give the best of everything back to Him. He will always take care of us. Thanks be to God.

Words on tithing from the Pews: "It's simple to tithe: you give back 10 percent of what you earn to the source of your spiritual life. You need to do it for the joy of giving. When you lovingly donate, God's abundance comes to you in many ways."

Thank you for your sacrifice of Tithing!

CATHOLIC RELIEF SERVICES

Climate change is creating hotter, drier environments where crops wilt or never grow at all in parts of southern Africa. With a second year of harvests having failed in most of Zimbabwe, 2.4 million people are facing a lack of food. CRS is partnering with Caritas Harare in Zimbabwe to react quickly to the drought emergency by organizing a series of seed fairs to help provide farmers with seeds for drought-resistant, quick-growing crops.

Mensaje del párroco:

Recordemos – Para que no olvidemos, para que no vuelva a suceder

Ayer el sábado, 6 de agosto de 2016, a las 8:16 AM. Hace setenta y uno años a las 8:16 am, el 6 de agosto de 1945, una bomba atómica cayó sobre Hiroshima, Japón. 70,000 personas murieron al instante. Tres días después, una segunda bomba destruyó Nagasaki. Unas 40,000 personas murieron. Treinta y cinco años más tarde, el 25 de febrero de 1981, nuestro Santo Padre, el Papa Juan Pablo II visitó Hiroshima y dijo estas palabras en su discurso titulado "LA GUERRA ES LA MUERTE":

"Recordar el pasado es comprometerse con el futuro. Recordar Hiroshima es aborrecer la guerra nuclear. Recordar Hiroshima es comprometerse con la paz --- En este mismo lugar donde hace 35 años la vida de tantas personas se apagó en un instante de fuego, quiero hacer un llamamiento a todo el mundo en nombre de la humanidad, en nombre del futuro ... a comprometernos con nuestros hermanos los hombres que vamos a trabajar sin descanso para el desarme y la expulsión de todas las armas nucleares. "

Y de nuevo en 1995, para ayudarnos a recordar en nombre de el futuro del mundo, el Santo Papa Juan Pablo II escribió esto:

"Cincuenta años después de la Segunda Guerra Mundial, los líderes de las naciones no pueden caer en la complacencia, sino más bien deben renovar su compromiso con el desarme y expulsión de las armas nucleares. "

Hoy, damos gracias a Dios que el horror de las armas nucleares no ha llovido en ninguna ciudad de personas desde agosto de 1945. La profunda preocupación de nuestra propia Iglesia Católica, otras iglesias cristianas y de personas religiosas de otras religiones, ha contribuido a moderar la mano de quien pueda tener el poder de dar rienda suelta a estas horribles armas de nuevo. Los obispos estadounidenses en noviembre de 1993, nos dijeron que "hoy la tarea moral es proceder con profundos cortes y en última instancia, la abolición de estas armas por completo ... la eliminación de las armas nucleares es algo más que una idea moral, debe ser un objetivo político".

Al recordar Hiroshima y rezar para que nunca vuelva a suceder, vamos a hacer la oración de Hiroshima del Santo Papa Juan Pablo II la nuestra:

Una oración en Hiroshima - Juan Pablo II, 25 de febrero de 1981

Para el Creador de la naturaleza y el hombre, de la verdad y la belleza ruego:

Escucha mi voz, porque es la voz de las víctimas de todas las guerras y oye mi voz, porque es la voz de todos los niños que sufren y van a sufrir cuando la gente pone su fe en las armas y la guerra. Escucha mi voz cuando te ruego que inculques en los corazones de todos los seres humanos la sabiduría de la paz, la fuerza de la justicia y el gozo de la comunión.

Escucha mi voz, pues hablo por las multitudes en todos los países y en cada período de la historia que no quieren la guerra y están dispuestos a caminar el camino de la paz. Escucha mi voz y otorga la visión y la fuerza para que siempre podamos responder al odio con amor, a la injusticia con la total dedicación a la justicia, a la necesidad con el intercambio de uno mismo, a la guerra con la paz. Oh Dios, oye mi voz y concede a todo el mundo tu paz eterna.

No hay lugar para la complacencia. Hiroshima puede parecer mucho tiempo atrás. Pero es tan real como hoy - y mañana.

Por favor, oren y ayunen por la paz!

Dios lo bendiga,

Padre Herb

On Thursday morning March 3rd, what started as a normal school day for 13 year old Noah suddenly turned tragic. During gym class, Noah excused himself to the locker room. While in there, his heart went into an arrhythmia which ultimately led to cardiac arrest. A friend found him unresponsive and contacted his teacher who immediately began CPR. The school nurse and EMTs were summoned to help and administer an AED to get his heart started again. He was rushed to nearby Morristown Medical Center. That night he was transferred to Morgan Stanley Children's Hospital at Columbia Presbyterian in NYC and was in the cardiac intensive care (ICU) for almost three weeks. The doctors conducted a successful ablation procedure on Noah and shortly thereafter he left the ICU. However his fight is not over. Even after 5 months in the hospital, Noah is expected to have a long road of rehabilitation ahead. We are hopeful that Noah will recover from the trauma so we can hear his voice and see that infectious smile!

Please join us as a community to help Noah and his family!

All proceeds will go to help the Lorencovitz family as they continue to tackle this difficult situation. They are part of our community and members of Saint Peter the Apostle Church. Noah and his father Tim have been part of the CYO basketball program since Noah was in the 5th grade. Let's all come together and continue to give our support and prayers for Noah and his family so NOAH can wear his #4 jersey on the basketball court with his teammates very soon.
